Client Testimonials

"In 2007, Gow-Gates undertook a review of our then insurance arrangements and, in discussion with us, analysed and assessed our needs... We were ultimately able to achieve substantial savings with an expanded and increased level of cover.

Our ongoing relationship has continued to deliver good value, security and a high degree of financial comfort. Recently, Gow-Gates were able to secure for our Union affordable cover for a unique property asset where only a small number of insurers operate."

John Quessy, General Secretary
NSW/ACT Independent Education Union

"Gow-Gates understanding of our industry has been of the utmost assistance. It is refreshing to deal with a service provider who understands our structure and operations"

Stephen Thompson, Director of Finance
